

## Australian Sustainable Hardwood recognised by Heyfield Football Netball Club

Heyfield Football Netball Club hosted ASH management and staff to recognise their contribution to the club and the new clubrooms.

ASH employees make up a large percentage of the clubs players, committee and supporters do the club wanted to recognise the importance of ASH to the club and the town. ASH also donated a large amount of timber that was used on the newly renovated clubrooms. Timber features in the flooring, servery counters and façade and is fitting for a facility in a timber town.

Also present were some ASH suppliers who have also contributed to the club this year. The club values the support from suppliers of ASH and they have become a significant sponsor of the club. Wellington Shire Councillor Carolyn Crossley was also on hand to inspect the new facility.

Australian Sustainable Hardwood management and staff meet with suppliers and HFNC members
